Mr. Wilfred H. Rommel
Assistant Director for
Legislative Reference
Office of Management and Budget
Washington, D. C. 20503

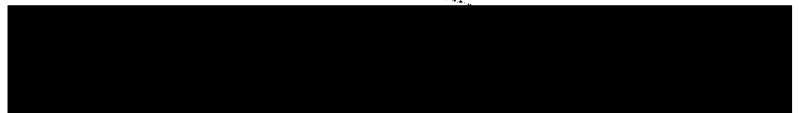

Dear Mr. Rommel:

This is in reply to your request of 9 February 1973 for our views on State Department's draft bill, "To amend Title VIII of the Foreign Service Act of 1946, as amended, relating to the Foreign Service Retirement and Disability System, and for other purposes."

We have no substantive comments to offer on the draft bill. We have noted that you have requested views from Treasury on the applicability of the financing provisions of the bill to the Central Intelligence Agency Retirement Act of 1964 for Certain Employees, and we will be looking forward for advice from you on this so that we may proceed with the funding amendments to our Act which have been held in abeyance since the summer of 1970.

Sincerely,

JMM:

It is recommended that you sign the attached letter which is due in OMB today and concerns Foreign Service Retirement Act amendments. A summary of the amendments runs from page 1 - 8.

We have coordinated this with OGC, DDS, OP, OF, and OPPB.

State's bill is the supposed breakthrough on the treatment of "unfunded liability" which has been in gestation for 2 1/2 years now and which has been holding up our funding amendments.
